- Indoor pool
- Central heating system that uses a boiler
- Indoor pond or water feature
- Radiant heating
- Water connected to a solar power system
- Fire sprinkler suppression system
- Hot tub, spa, Jacuzzi, or steam bath
- None

For customers with more than one residential connection, please complete additional survey forms. Surveys can be found by visiting www.mariposapud.org under the Services tab and completed digitally.

Survey to be completed by March 12, 2026 for water service to stay in compliance with current regulations.

Submit survey to:

Mariposa Public Utility District (MPUD) P.O. Box 494, Mariposa, CA 95338 or by email to mpudoffice2@sti.net with subject line "Cross Connection Survey".
